Your **Trip Details** include the following information. Please read through the information, and let us know if you have any questions, or would like more specific information of any kind.

Reservations

All the reservations are under your name.

Hotels Information and Payments

You will find the hotel contact info and reservation confirmations and/or voucher included here. You didn't choose a prepaid rate, so you will pay the total amount of rooms and extras at the check out.

Payments

Some of the activities have been prepaid. Some others have to be paid at the moment, as specified in this document for each one of them. Not everybody accept credit card (for ex: the guide and the Costiera Amalfitana tour), so, please, remember to take with you euro in cash when needed.

Missed information

You will notice that sometimes there are some missed information about some transfers: driver's phone number and/or meeting point. Well, these are information that I will be able to give you the day before the service (by email if you agree).

Restaurant suggestions

You can decide to eat in our suggested restaurants (the list I sent you) or not. Anyway, it is always a good idea to call ahead, and check to see if reservations are necessary
